

## Welcome to Murray Chambers

Barristers and staff are working hard at keeping our clients and  
instructing solicitors safe.

We want to ensure our clients' legal matters are not delayed due to  
illness.

1. Wearing of a **MASK** is not compulsory but some of our staff and barristers will be choosing to do so.
2. Barristers may still require that you wear a mask when seeing them in their office. You may check the policy of individual barristers by asking any of our friendly support staff.
3. We still require **PROOF OF VACCINATION** if not already checked by our reception staff at previous visit.

*This notice is approved by Head of Chambers on 16<sup>th</sup> May 2022*
