

ATTENTION!

Welcome to Murray Chambers

Barristers and staff are working hard at keeping our clients and instructing solicitors safe

We want to ensure our clients' legal matters are not delayed due to illness.

Wearing of a **MASK** is not compulsory but we **ENCOURAGE** wearing of one in public areas of EB Johnston House.

Barristers may still require that you wear a mask when seeing them in their office. You may check the policy of individual barristers by asking any of our friendly support staff.

We still require **PROOF OF VACCINATION** if not already checked by our reception staff at previous visits.
